Visit the iconic landmarks and attractions that make Downtown Seattle famous!

1. **Tour the classic Pike Place Market.** This world famous market has something for everyone from fresh produce and flowers to artwork, antiques and exotic goods.

2. Grab coffee at the original Starbucks and then have breakfast at The Athenian, one of the spots where Sleepless in Seattle was filmed.

3. After visiting the market, walk to the Seattle Waterfront’s Pier 59 to spend the rest of the morning at the Seattle Aquarium. Here you’ll learn more about the Puget Sound and marine-life with interactive, hands-on experiences.

4. Get a classic Waterfront lunch experience at Ivar’s Fish Bar and feed the seagulls on the pier. Take a short trek up the Harbor Steps to your next destination—the Seattle Art Museum (SAM). SAM attracts visitors from around the world with its collections and exhibits, and with more than 23,000 objects to see the SAM will fill your afternoon with art and culture.

5. From there, head across 2nd Avenue and walk through the Garden of Remembrance at Benaroya Hall, the home of the Seattle Symphony. The Garden of Remembrance is a half-acre garden along the south and west sides of the hall and it includes granite memorial walls with the names of the nearly 8,000 Washington state residents who have fallen in war since 1941.

6. Walk up University St. to 4th Ave. and continue to Seattle Public Library’s central location. Explore this beautiful, oddly shaped, glass-covered structure that contains the innovative “Books Spiral” that lets books be organized in continuous rows from floor to floor. It is a must-see for any visitor to Downtown.

7. Next, head to Westlake Center, where you can catch the Seattle Monorail to Chihuly Garden & Glass and EMP Museum— where you can learn about and experience Sci-Fi, Rock-n-Roll and Pop culture with a bunch of interactive exhibits.

8. Finish off your day viewing the sunset from atop the Space Needle observation deck and enjoying dinner at SkyCity Restaurant.
